

REVISED MOTION BY SUPERVISOR SHEILA KUEHL

April 5, 2016

On February 9, 2016, the Board approved the Homeless Initiative, which included a comprehensive set of strategies to combat homelessness in Los Angeles County. Strategy B4 – Facilitate Utilization of Federal Housing Subsidies, provides local funds to help homeless families and individuals with a federal housing voucher secure subsidized housing, by encouraging landlord acceptance of homeless households with Section 8 Vouchers issued by the Housing Authority of the County of Los Angeles (Housing Authority). To this end, the Housing Authority will administer three programs: (1) a Damage Mitigation/Property Compliance Fund; (2) Vacancy payments for landlords to hold available units for prospective homeless households while administrative processing occurs; and (3) a Security Deposit Assistance Program (collectively, Programs).

The Board allocated \$2 million in one-time Homeless Prevention Initiative (HPI) funds for these Programs, with no more than \$750,000 for the Security Deposit Assistance Program (HPI Funds). The Board delegated authority to the Chief Executive Office (CEO) to transfer these funds to the Housing Authority, but must now authorize CEO to prepare and execute agreements with the Housing Authority required to
